It was noted that before depreciation the Hall had made a slight profit and cash flow had improved. The possibility of increasing bookings was restricted by car parking so it was often not possible to let all the rooms at the same time. Increased facilities such as Broadband access might help to generate more income.

**A vote of thanks was extended to all residents and Councillors who serve on the various charitable committees and on the Parish Council.**

**Cllr K Bartlett thanked Michael Bird and Steve Williams for their four years service as Councillors and their person contribution to the Parish.**

The meeting closed at 7.40 p.m.
